TIPS & TRICKS

1. All Day Breakfast is an easy and popular **Pop-Up**, which both Washoe and Grapevine-Colleyville used to great success with their shared recipes.
2. For Pacos: "To keep pancakes moist, wrap pan in bun bag and hold in warmers, and they hold up great!"
3. Eggcellent ethnic favorites, with some speed-scratch options, **expand menu possibilities** without increasing inventory.
4. For breakfast burritos, a delicious school-made sauce is included, but many great pre-made salsas are also available.
5. Cornwall-Lebanon shares: Add a cereal bar or daily grain to make this tasty breakfast favorite a **reimbursable lunch**.
